

The Process

In each fiscal year, businesses will have an opportunity to apply for financial assistance on a quarterly basis. Each quarter, grant processing will work as such:

1st month of each quarter - Marketing and application intake.

2nd month of each quarter – Application processing and review.

3rd month of each quarter - Contract Execution and Grant Funding

Applications will be reviewed on a first come first serve basis. Applications must be complete upon submission to be eligible for consideration. Only the first 10 completed applications will be accepted per capital access product. Approximately 3 to 5 businesses will be awarded per quarter for each capital access product. The dollar amount and the number of businesses awarded will vary based on available funding.
